

# 1<sup>ST</sup> INTERNATIONAL WORKSHOP CONFERENCE ON SMALL AND MEDIUM WIND ENERGY

10 –12. April 2019

Hosted by:

The World Wind Energy Association, Nordic Folkecenter for Renewable Energy, and Danish Association for Small and Medium Wind are pleased to invite the small and medium wind community to the 1<sup>st</sup> International Workshop on small and medium wind to be held at the Nordic Folkecenter 10<sup>th</sup> – 12th April 2019.

The workshop will focus on closing gaps in the current testing and certification schemes and find ways to increase consumer awareness. Also, the future actions taken by the WWEA Small Wind Section will be discussed with the wind community during the workshop.

## **Draft agenda**

Program for Workshop 10th – 12th April

Wednesday Wednesday 10th. 2019

Picking up participants at Billund Airport Around 15:00

Arrival Wednesday 10th April afternoon at Nordic Folkecenter.

18:00 Dinner

19:00 Welcome and first presentation:

- The future of Small Wind Certification – achieving international recognition of the different certification schemes existing at the moment.

Thursday, April 11th. 2019

09:00 Presentations:

- VAWTs and certification– is the certification system similar for all small wind turbines types?

10:30 Presentations

- Certification for medium wind – a new IEC standard? What is the medium wind range?

12:00 - 13:00 Lunch

13:00 - 14:00 Presentations

- International Consumer Label – which actions must be taken in order to give momentum to an internationally recognised consumer label

14:00 – 15:00 Presentations

- Testing costs – is it the main barrier for certification?

15:15 - 16:15 Presentations

- Test facilities - what is needed?

16:15 – 17:15

- Updating of certification norms

18:00 Dinner

Friday

09:00 Presentation

- Data collection

10:30

- WWEA Small Wind Activities and [small-wind.org](http://small-wind.org) platform

12:00 Final of Workshop

FC offers an 5 hours Renewable Energy excursion to small wind teststation in Hundborg and big wind teststation in Østerild

Speakers (also via WEB):

Paul Gipe

Heidi

Ghansham Jadhav Marcheck

Trudy Forsyth

Jose Ignacio Cruz Cruz

Sven Ruin

Peter Lauge Madsen

Peggy Friis

Floridan

Owner of small wind turbine

Jane Kruse

Stefan Gsänger or Jean-Daniel Pitteloud

Jami Hossain

Tonny Brink

Morten V. Petersen

Prices: Free

Accommodation and lodging free

Registration: [http://www.folkecenterevents.net/pages/Register\\_REIC.php](http://www.folkecenterevents.net/pages/Register_REIC.php)

Next conference, 2nd international conference for Data registration, especially for students are to be held in September 2019 at Nordic Flokecenter.
